

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF JBM ELECTRIC VEHICLES PRIVATE LIMITED

Report on the Audit of Financial Statements

Opinion

We have audited the accompanying Financial Statements of **JBM ELECTRIC VEHICLES PRIVATE LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and the notes to the Financial Statements including a summary of the significant accounting policies and other explanatory information (here in after referred to as the "Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended (the Ind AS) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Annual Report, but does not include the Financial Statements and our Auditor's Report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system over financial reporting in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based

on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of Sub Section (11) of Section 143 of the Companies Act, 2013 and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanation given to us, we give in "Annexure-A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, based on our audit we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid Financial Statements comply with the Indian Accounting Standards ("Ind AS") prescribed under Section 133 of the Act.
 - e. On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure-B".
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and according to the information and explanations given to us, the Company has not paid any managerial remuneration during the year.

h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 as amended, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company does not have any pending litigation which would impact its financial position.
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv.
 - a. The management has represented that, to the best of its knowledge and belief, as disclosed in Note no 29B(6) to the Financial Statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - b. The management has represented that, to the best of its knowledge and belief, as disclosed in Note no. 29B(7) to the Financial Statements, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - c. Based on such audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v. Since, the Company has neither paid or declared any dividend during the year nor proposed any dividend during the year, hence, reporting requirement of clause (f) of rule 11 of the companies (Audit and Auditors) Rules, 2014 are not applicable on the Company.

ANNEXURE-A TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON FINANCIAL STATEMENTS OF JBM ELECTRIC VEHICLES PRIVATE LIMITED

(This is the annexure referred to in Para 1 of 'Report on Other Legal and Regulatory Requirements' section of our Report of even date)

- (i) In respect of the Property, Plant and Equipment and Intangible Assets:
- (a) (A) The Company has maintained proper records showing the full particulars including quantitative details and situation of Property, Plant and Equipment;
- (B) The Company does not have any intangible assets. Accordingly the provisions of clause 3(i)(a)(B) of the order are not applicable to the Company.
- (b) The Property, Plant and Equipment covering significant value were physically verified during the year by the management at such intervals which in our opinion, provides for the physical verification of all the Property, Plant and Equipment at reasonable interval having regard to the size of the Company and nature of its business. In our opinion and according to the information and explanations given to us by the management, no material discrepancies have been noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of records of the Company, all the title deeds of immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the Financial Statements are held in the name of the Company.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year.
- (e) According to information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions (Prohibition) Act, 1988 and rules made thereunder.
- (ii) (a) In our opinion and according to the information and explanations given to us, the Company does not have any Inventory. Accordingly, the provisions of clause 3(ii)(a) of the order are not applicable to the Company.
- (b) The Company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, at any point of time during the year, from banks or financial institutions on the basis of security of current assets. Accordingly, the provisions of clause 3(ii)(b) of the order are not applicable to the Company.
- (iii) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not provided any guarantee or security and granted any loans or advances in the nature of loans, secured and unsecured, to companies, firms, limited liability partnerships or any other parties during the year. The Company has made investments in its Joint Ventures and Subsidiary Companies during the year.

- (b) According to the information and explanations given to us and based on the audit procedures conducted by us, in our opinion, the investments made during the year are prima facie, not prejudicial to the interest of the Company.
- (c) In our opinion and according to the information and explanations given to us, the Company has not granted any loans or advances in the nature of loans to any party during the year. Accordingly, the provisions of clause 3(iii)(c),(d),(e) and (f) of the order are not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us, there are no loans, guarantees or securities in respect of which provisions of sections 185 and 186 of the Companies Act, 2013 are applicable. The Company has complied with the provisions of sections 186 of the Companies Act, 2013 in respect of making investments as applicable.
- (v) In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits or amounts which are deemed to be deposits as per the directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules made thereunder. Accordingly, the provisions of clause 3(v) of the Order are not applicable to the Company.
- (vi) In our opinion and according to the information and explanations given to us, maintenance of cost records has not been specified by the Central Government under section 148(1) of the Companies Act, 2013 for the business activities carried out by the Company. Accordingly, the provisions of clause 3(vi) of the Order are not applicable to the Company.
- (vii) In respect of the statutory and other dues:
- (a) In our opinion and according to the information and explanations given to us, the Company has generally been regular in depositing undisputed statutory dues including Goods and Services Tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and any other statutory dues to the appropriate authorities. In our opinion and according to the information and explanations given to us, no undisputed amounts payable in respect of the aforesaid dues were in arrears, as at March 31, 2022 for a period of more than six months from the date they became payable.
- (b) In our opinion and according to the information and explanations given to us, there were no statutory dues referred in sub-clause (a) which have not been deposited on account of any dispute.
- (viii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 during the year.
- (ix) (a) In our opinion and according to the information and explanations given to us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a wilful defaulter by any bank or financial institution or other lender.
- (c) According to the information and explanations given to us and on the basis of examination of records of the Company, term loans were applied for the purpose for which the loans were obtained.

- (d) According to the information and explanations given to us and on an overall examination of the Balance Sheet of the Company, no funds raised on short-term basis have been utilised for long-term purposes by the Company.
- (e) According to the information and explanations given to us and on an overall examination of Financial Statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its Subsidiaries and Joint Ventures.
- (f) According to the information and explanations given to us and on the basis of examination of records of the Company, we report that the Company has not raised loans during the year on the pledge of securities held in its Subsidiaries and Joint Ventures.
- (x) (a) In our opinion and according to the information and explanations given to us and on the basis of examination of records of the Company, the Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the provisions of clause 3(x)(a) of the Order are not applicable to the Company.
- (b) In our opinion and according to the information and explanations given to us and on the basis of examination of records of the Company, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Accordingly, the provisions of clause 3(x)(b) of the Order are not applicable to the Company.
- (xi) (a) In our opinion and according to the information and explanations given to us, no fraud by the Company or no fraud on the Company has been noticed or reported during the year.
- (b) According to the information and explanations given to us, during the year, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed by auditors in Form ADT – 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) In our opinion and according to the information and explanations given to us, no whistle blower complaints has been received by the Company during the year.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, the provisions of clause 3(xii) of the Order are not applicable to the Company.
- (xiii) In our opinion and according to the information and explanations given to us and on the basis of examination of records of the Company, all transactions entered into with the Related Parties are in compliance with section 177 and 188 of the Companies Act, 2013 wherever applicable and details have been disclosed in the Financial Statements as required by the applicable accounting standards.
- (xiv) In our opinion and based on our examination, the Company does not have an internal audit system and is not required to have an internal audit system as per provisions of the Companies Act 2013. Accordingly, the provisions of clause 3(xiv) of the Order are not applicable to the Company.
- (xv) In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence, provisions of Section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) (a) In our opinion and according to the information and explanations given to us, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the provisions of clause 3(xvi)(a) of the Order are not applicable to the Company.

(b) In our opinion and according to the information and explanations given to us, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the provisions of clause 3(xvi)(b) of the Order are not applicable to the Company.

(c) In our opinion and according to the information and explanations given to us, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the provisions of clause 3(xvi)(c) of the Order are not applicable to the Company.

(d) In our opinion and according to the information and explanations given to us, the Group does not have any CIC. Accordingly, the provisions of clause 3(xvi)(d) of the Order are not applicable to the Company.

(xvii) The Company has incurred a cash loss of Rs. 73.97 Lakhs in the current financial year and of Rs. 20.86 Lakhs in the immediately preceding financial period.

(xviii) There has been no resignation of the statutory auditors during the year. Accordingly, the provisions of clause 3(xviii) of the Order are not applicable to the Company.

(xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) In our opinion and according to the information and explanations given to us, the Company is not meeting threshold specified in section 135(1) of the Companies Act, 2013. Accordingly, the provisions of Clause 3(xx) of the order are not applicable to the Company.

ANNEXURE-B TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON FINANCIAL STATEMENTS OF JBM ELECTRIC VEHICLES PRIVATE LIMITED

(This is the annexure referred to in Para 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our Report of even date)

Report on the Internal Financial Control Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **JBM ELECTRIC VEHICLES PRIVATE LIMITED** ("the Company") as of March 31, 2022 in conjunction with our audit of the Financial Statements of the Company for the period ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and according to the best of our information and according to explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Net cash flow from financing activities (C)	12,165.74	5,879.81
Net increase in cash and cash equivalents (A+B+C)	47.01	1.89
Cash and cash equivalents at the beginning of the period (Refer Note No B)	1.89	-
Cash and cash equivalents at the end of the period (Refer Note No B)	48.90	1.89

Notes:

- The above Cash Flow Statement has been prepared under the indirect method as set out in the Indian Accounting Standard (IND -AS) - 7 on "Statement of Cash Flows"
- The amendments to the Ind-AS 7 cash flow statements requires the entities to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the balance sheet for liabilities arising from financing activities, to meet the disclosure requirement. The required disclosure is made below.

JBM Electric Vehicles Private Limited

CIN: U34100DL2020PTC363195

NOTES FORMING PART OF FINANCIAL STATEMENTS

1. General Information

JBM Electric Vehicles Private Limited (the "Company") is a private limited Company incorporated on 08-Apr-2020, under the Companies Act, 2013 having its registered office at 601, Hemkunt Chambers, 89, Nehru Place, New Delhi (South Delhi), 110019 India. The Company's primary objective is to carry on the Trade and Business of manufacturer of or Dealers in public transport type motor vehicles, lorries, ambulances, automobiles, Trucks, Tractors, Special Purpose Vehicle (SPV), motor-cycle, scooters, three wheelers, E-rickshaw and similar vehicle designed for the transport and allied products and to carry on the business of manufacture, sale, import, export, supply and trading of electric buses and hybrid buses along with their related charging ecosystem.

The financial statements for the year ended March 31, 2022 were approved by the Board of Directors and authorize for issue on 30-April-2022.

2. Significant Accounting Policies

2.1 Statement of Compliance

The Financial Statements have been prepared as a going concern in accordance with Indian Accounting Standards (Ind AS) notified under the section 133 of the Companies Act, 2013 ("the Act") read with the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act.

2.2 Basis of Preparation and Presentation

The financial statements have been prepared on the historical cost convention on accrual basis except for certain financial instruments which are measured at fair value at the end of each reporting period, as explained in the accounting policies mentioned below. Historical cost is generally based on the fair value of the consideration given in exchange of goods or services.

All assets and liabilities have been classified as current or non-current according to the Company's operating cycle and other criteria set out in the Act. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current or non-current classification of assets and liabilities.

The principal accounting policies are set out below.

2.3 Use of Estimates and Judgments

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amount of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amount of revenues and expenses for the period presented. Actual results may differ from the estimates.

Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods affected.

2.4 Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

Where the funds used to finance a qualifying asset form part of general borrowings, the amount capitalised is calculated using a weighted average of rates applicable to relevant general borrowings of the Company during the year.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

All other borrowing costs are recognised in the Statement of Profit and Loss in the period in which they are incurred.

Borrowing costs consist of interest, which is computed as per effective interest method, and other costs that an entity incurs in connection with the borrowing of funds.

2.5 Employee Benefits

Short-term obligations

Liabilities for wages and salaries including non-monetary benefits that are expected to be settled within the operating cycle after the end of the period in which the employees render the related services are recognised in the period in which the related services are rendered and are measured at the undiscounted amount expected to be paid.

2.6 Taxation

Income tax expense represents the sum of the tax current and deferred tax.

JBM Electric Vehicles Private Limited

CIN: U34100DL2020PTC363195

NOTES FORMING PART OF FINANCIAL STATEMENTS

Current tax

The tax currently payable is based on taxable profit for the period. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profits. Deferred tax liabilities are recognized for all taxable temporary differences. Deferred tax assets are recognized for all deductible temporary differences and incurred tax losses to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current and deferred tax for the year

Current and deferred tax are recognized in the Statement of Profit and Loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the income taxes are also recognized in other comprehensive income or directly in equity respectively.

2.7 Property, Plant and Equipment (PPE)

Property, Plant and Equipment (PPE) are stated at cost of acquisition, net of accumulated depreciation and accumulated impairment losses, if any. The cost of tangible asset includes purchase cost (net of rebates and discounts) including any import duties and non-refundable taxes, and any directly attributable costs on making the asset ready for its intended use. Freehold land is measured at cost and is not depreciated.

Interest cost incurred on qualifying asset is capitalized up to the date the asset is ready for its intended use, based on borrowings incurred specifically for financing the asset or the weighted average rate of all other borrowings if no specific borrowings have been incurred for the asset.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. The other repairs and maintenance of revenue nature are charged to the Statement of Profit and Loss during the reporting period in which they have incurred.

Projects under which the property, plant and equipment is not yet ready for their intended use are carried as capital work-in-progress at cost determined as aforesaid.

2.8 Provisions and Contingencies

Provisions

Provisions are recognized when there is a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation.

Provisions are determined based on best management estimate required to settle the obligation at balance sheet date. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate

Contingent Liabilities

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events, where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount

Contingent Assets

Contingent asset being a possible asset that arises from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company, is not recognized but disclosed in the financial statements.

2.9 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial instruments (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss. Subsequently, financial instruments are measured according to the category in which they are classified.

(i) Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost using the effective interest method or fair value, depending on the classification of the financial assets.

(ii) Classification of financial assets

Classification of financial assets depends on the nature and purpose of the financial assets and is determined at the time of initial recognition.

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

A financial asset that meets the following two conditions is measured at amortised cost unless the asset is designated at fair value through profit or loss under the fair value option.

- Business model test: The objective of the Company's business model is to hold the financial asset to collect the contractual cash flows.
- Cash flow characteristic test: The contractual term of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A financial asset that meets the following two conditions is measured at fair value through other comprehensive income unless the asset is designated at fair value through profit or loss under the fair value option:

- Business model test: The financial asset is held within a business model whose objective is achieved by both collecting cash flows and selling financial assets.
- Cash flow characteristic test: The contractual term of the financial asset gives rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

All other financial assets are measured at fair value through profit or loss.

(iii) Equity Investment in Subsidiaries, Associates and Joint Ventures

Investments representing equity interest in subsidiaries, associates and joint ventures are carried at cost less any provision for impairment. Investments are reviewed for impairment if events or changes in circumstances indicate that the carrying amount may not be recoverable.

(iv) Cash and cash equivalents

In the Cash Flow Statement, cash and cash equivalents includes cash in hand, cheques and balances with bank and short term highly liquid investments with original maturities of three months or less that are readily convertible to known amount of cash. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet and forms part of financing activities in the Cash Flow Statement. Bank overdraft is shown within other financial liabilities in the Balance Sheet and forms part of operating activities in the Cash Flow Statement.

(v) Impairment of financial assets:

The Company assesses impairment based on expected credit losses (ECL) model to the following:

- financial assets measured at amortised cost
- financial assets measured at fair value through other comprehensive income

Expected credit loss are measured through a loss allowance at an amount equal to :

- the twelve month expected credit losses (expected credit losses that result from those default events on the financial instruments that are possible within twelve months after the reporting date); or
- full life time expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).

For trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115, the Company always measures the loss allowance at an amount equal to lifetime expected credit losses.

(vi) Derecognition of financial assets

A financial asset is derecognised only when

- The Company has transferred the rights to receive cash flows from the financial asset or
- Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients
- The right to receive cash flows from the asset has expired.

Financial liabilities and equity instruments

(vii) Classification of debt or equity

Debt or equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

(viii) Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

(ix) Financial liabilities

All financial liabilities are subsequently measured at amortized cost using the effective interest rate method or at fair value through Statement of Profit and Loss.

(x) Trade and other payables

Trade and other payables represent liabilities for goods or services provided to the Company prior to the end of financial period which are unpaid.

(xi) Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in Statement of Profit and Loss over the period of the borrowings using the effective interest rate method.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired.

The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in Statement of Profit and Loss.

(xii) Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired.

(xiii) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

2.10 Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

JBM Electric Vehicles Private Limited

CIN: U34100DL2020PTC363195

NOTES FORMING PART OF FINANCIAL STATEMENTS

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the Balance Sheet on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

2.11 Earnings Per Share

Basic earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares, except where the result is anti-dilutive.

2.12 Rounding of amounts

All amounts disclosed in the financial statements and the accompanying notes have been rounded off to the nearest lakhs as per the requirement of Schedule III (Division II) of the Companies Act 2013, unless otherwise stated.

Terms and conditions of transactions with related parties

Transactions with related parties are made on terms equivalent to those that prevail in arm's length transactions. Outstanding balances at the period-end are unsecured. There have been no guarantees provided or received for any related party receivables or payables. For the period ended 31 March 2022, the Company has not recorded any impairment of receivables relating to amounts owed by related parties. This assessment is undertaken each financial year through examining the financial position of the related party and the market in which the related party operates.

NOTES FORMING PART OF FINANCIAL STATEMENTS

(Amount in lakhs, unless otherwise stated)

Note : 26. FINANCIAL INSTRUMENTS

(A) Capital management

The Company manages its capital to ensure that the Company will be able to continue as a going concern while maximising the return to stakeholders through efficient allocation of capital towards expansion of business, optimisation of working capital requirements and deployment of surplus funds into various investment options.

The management of the Company reviews the capital structure of the Company on regular basis. As part of this review, the Board considers the cost of capital and the risks associated with the movement in the working capital.

The Company monitors its capital using gearing ratio, which is net debt divided to total equity. Net debt includes, loans and borrowings less cash and cash equivalents.

(₹ In Lakhs)

Particulars	As at 31st March, 2022	As at 31st March, 2021
Net debt	15,225.04	3,913.43
Total equity	3,239.88	1,943.62
Net debt to equity ratio (times)	4.70	2.01

(B) Fair value measurements

The Company uses the following hierarchy for determining and/or disclosing the fair value of financial instruments by valuation techniques:

The following is the basis of categorising the financial instruments measured at fair value into Level 1 to Level 3:

Level 1: This level includes financial assets that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: This level includes financial assets and liabilities, measured using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).

Level 3: This level includes financial assets and liabilities measured using inputs that are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

The fair value of the financial assets are determined at the amount that would be received to sell an asset in an orderly transaction between market participants.

(C) Categories of financial instruments

(₹ in Lakhs)

Particulars	As at 31st March 2022		As at 31st March 2021	
	Carrying Value	Fair Value	Carrying Value	Fair Value
Financial assets measured at amortised cost				
Investments	55.05	55.05	-	-
Security Deposit	19.00	19.00	-	-
Cash & cash equivalents	48.90	48.90	1.89	1.89
Other Financial Assets	74.64	74.64	-	-
Total financial assets measured at amortised cost	197.59	197.59	1.89	1.89
Financial liabilities measured at amortised cost				
Non current borrowings	15,273.95	15,273.95	3,915.33	3,915.33
Other current financial liabilities	928.18	928.18	208.71	208.71
Total financial liabilities measured at amortised cost	16,202.12	16,202.12	4,124.03	4,124.03

Carrying value of investments, security deposits, cash and cash equivalents, other financial assets, non current borrowings and other current financial liabilities, are considered to be same as their fair value.

There have been no transfer among levels during the year.

NOTES FORMING PART OF FINANCIAL STATEMENTS

(Amount in lakhs, unless otherwise stated)

(D) Financial risk management objectives and policies

The Board of Directors oversee the Risk Management Framework and developing and monitoring the Company's risk management policies. The risk management policies are established to ensure timely identification and evaluation of risks, setting acceptable risk thresholds, identifying and mapping controls against these risks, monitor the risks and their limits, improve risk awareness and transparency. Risk management policies and systems are reviewed regularly to reflect changes in the market conditions and the Company's activities to provide reliable information to the Management and the Board to evaluate the adequacy of the risk management framework in relation to the risk faced by the Company.

The risk management policies aims to mitigate the following risks arising from the financial instruments:

- Market risk
- Credit risk; and
- Liquidity risk

D1. Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. The Company does not have any Financial Instruments affected by market risk hence no sensitivity analyses shown under this risk.

a) Foreign currency risk management

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities (when revenue or expense is denominated in a foreign currency)

At present company has no foreign currency

b) Interest rate risk management

The Company is exposed to interest rate risk because Company borrow funds at both fixed and floating interest rates. The risk is managed by the Company by maintaining an appropriate mix between fixed and floating rate borrowings.

Interest rate sensitivity analysis

The sensitivity analyses below have been determined based on the exposure to interest rates at the end of the reporting period. For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

Impact on Profit / (loss) for the year for a 50 basis point change:

(₹ In Lakhs)

Particulars	Increase/decrease in basis	Effect on profit before tax
31-Mar-22		
Borrowings	+50	43.83
Borrowings	-50	(43.83)
31-Mar-21		
Borrowings	+50	
Borrowings	-50	

JBM Electric Vehicles Private Limited

CIN: U34100DL2020PTC363195

NOTES FORMING PART OF FINANCIAL STATEMENTS

(Amount in lakhs, unless otherwise stated)

D.2 Credit risk management

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company has adopted a policy of only dealing with creditworthy counterparties as a means of mitigating the risk of financial loss from defaults. The Company's exposure and wherever appropriate, the credit ratings of its counterparties are continuously monitored and spread amongst various counterparties. Credit exposure is controlled by counterparty limits that are reviewed and approved by the management of the Company.

Financial instruments that are subject to concentrations of credit risk, principally consist of balance with banks, trade receivables, loans and advances and derivative financial instruments. None of the financial instruments of the Company result in material concentrations of credit risks.

Balances with banks were not past due or impaired as at the year end. In other financial assets that are not past dues and not impaired, there were no indication of default in repayment as at the year end.

D.3 Liquidity risk

Liquidity risk refers to the risk that the Group can not meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and to ensure funds are available for use as per the requirements.

The Company's objective is to maintain a balance between continuity of funding and flexibility. The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments.

	Less than 1 year	1 to 5 years	More than 5 years	Total

Note : 28. SIGNIFICANT ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS

The preparation of the Company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. These include recognition and measurement of financial instruments, estimates of useful lives and residual value of property, plant and equipment and intangible assets, valuation of inventories, measurement of recoverable amounts of cash-generating units, measurement of employee benefits, actuarial assumptions, provisions etc. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods. The Company continually evaluates these estimates and assumptions based on most recently available information. Revision to accounting estimates are recognized prospectively in the Statement of Profit and Loss in the period in which the estimates are revised and in any future periods affected.

A. Judgments

In the process of applying the Company's accounting policies, management has made the following judgments, which have the most significant effect on the amounts recognized in the financial statements:

B. Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

(i) Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the discounted cash flow (DCF) model based on level-2 and level-3 inputs. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include considerations of inputs such as price estimates, volume estimates, rate estimates etc. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

(iii) Impairment of financial assets

The impairment provisions are based on assumptions about risk of default and expected loss rates. The company uses judgement in making these assumptions and selecting the inputs to the impairment calculation based on the company's past history and other factors at the end of each reporting period.

Assumptions are also made by the management with respect to valuation of inventories, contingencies, and measurement of recoverable amounts of cash generation unit.

(iv) Impairment of Assets

An impairment exists when the carrying value of an asset exceeds its recoverable amount. Recoverable amount is the higher of its fair value less costs to sell and its value in use. The value in use calculation is based on a discounted cash flow model. In calculating the value in use, certain assumptions are required to be made in respect of highly uncertain matters, including management's expectations of growth in EBITDA, long term growth rates; and the selection of discount rates to reflect the risks involved.

(v) Contingent Liabilities

The contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company. The Company evaluates the obligation through Probable, Possible or Remote model (PPR). In making the evaluation for PPR, the Company take into consideration the industry perspective, legal and technical view, availability of documentation/agreements, interpretation of the matter, independent opinion from professionals (specific matters) etc. which can vary based on subsequent events. The Company provides the liability in the books for probable cases, while possible cases are shown as contingent liability. The remotes cases are not disclosed in the financial statement.

(vi) Taxes

Provision for tax liabilities require judgments on the interpretation of tax legislation, developments in case law and the potential outcomes of tax audits and appeals which may be subject to significant uncertainty. Therefore the actual results may vary from expectations resulting in adjustments to provisions, the valuation of deferred tax assets, cash tax settlements and therefore the tax charge in the Statement of Profit or Loss.
